[Re: chercher compagnon de voyage pour Myanmar](#)

salut .

We can talk by e-mail ..why you should pay long distance to call me. If you accept to make a trip to Myanmar (backpacker style : bus bus and train - eat street foods or local restaurants --) you can eat 3 starts restaurants if you want ;-). and accommodation is hostel or guest house (I want to have some one to share a cost of twin room (two single beds) with me and have someone to travel with. I will arrive in Bangkok 02-01-2014 ...and 03-01-2014 maybe go to Embassy for visa and after when got visa go to Mynmar.

Here is my e-mail : vnbird_99@yahoo.com - I will send you an e-mail if when received ...reply to me please ..ok - Quang (Canada)
