As one of the major city-emirates of UAE, Dubai has successfully established itself as one of the densely visited tourism destinations not only in the Middle East but in the rest of the world. Aside from its oil, UAE has also generated huge revenues from its tourism industry. The number of tourists is consistently increasing. In fact, Dubai attracted 15 million tourists last year, while the capital Abu Dhabi had 2 million. The outstanding increase of tourist arrivals in Dubai is due to its tourism events such as the DSS or the Dubai Summer Surprises and DSF or the Dubai Shopping Festival and some other big events.
