127 new top hotels under construction – focus on Moscow and Sochi – Hilton and Carlson Rezidor are main market drivers

Russian hotel construction progresses at a rapid pace. During the next three years 127 new first class and luxury hotel will open their doors. Hotel investors are thereby focusing primarily on the Russian capital Moscow (17 hotel projects) and Sochi (19 projects), where the 22nd Winter Olympics in February 2014 are going to take place. This has been derived from a data analysis by TOPHOTELPROJECTS, the leading permanent research service and online database for international hotel construction and development data (www.tophotelprojects.com).
